

LGT Debit Mastercard

One card for everything.

Your new LGT Debit Mastercard

Your new LGT Debit Mastercard is enclosed with this letter. Familiarize yourself with both the new and existing functionalities and find out how to use them.

New services and functionalities

- E-commerce (use your card for online payments)
- Mobile payments (Apple Pay or Google Pay from the second quarter of 2023 onwards)
- debiX+ app (more information on registering and using the app can be found below)
 - 3D Secure for verifying online payments
 - Notifications when your card is used
 - Other self-service options (e.g. freeze your card, request a new PIN) to become operational in the near future

Unchanged services and functions

- Worldwide cash withdrawals
- Worldwide cashless payments
- Contactless payments
- Instant debiting of your account

debiX+ app

Registration

1. Download the free debiX+ app to your smartphone.
2. Register by entering your one-time registration code (OTRC) and your LGT Debit Mastercard details in the debiX+ app and pair them together.
3. Enjoy the in-app benefits such as using your card for e-commerce.

Authenticating e-commerce payments

Online retailers use 3D Secure to make e-commerce payments as secure as possible. As part of this, each transaction requires additional authorization. The debiX+ app allows you as card holder to perform this authorization with ease.

Security information

- The contactless function is activated once you have made your first chip and PIN transaction.
- Every PIN authorization resets the contactless payment limit.
- Never write your PIN on your LGT Debit Mastercard nor keep it with your card.
- When setting your individual PIN, do not use a combination of numbers that is easy to guess such as your telephone number, date of birth, license plate number, etc.
- Freeze a lost, stolen or compromised card via the debiX+ app or by calling our helpline on +423 235 37 50.

Details relating to card security and misuse of cards can be found at www.card-security.ch

More information

During the transitional year of 2023, all Maestro cards will be replaced with a LGT Debit Mastercard. Customers like you will benefit from a freeze of any card charges during this period. From 2024 onwards, the annual fee for customers whose LGT Debit Mastercard is not part of their LGT Advisory pricing model will be CHF 50.00.

For further information on fees, please contact your relationship manager.
