

Ratings and Awards

March 2023
Marketing communication

LGT is one of the few international privately owned banks to allow its creditworthiness to be evaluated by independent rating agencies. For years now LGT has consistently been awarded very high ratings. LGT's leading position has also been confirmed by awards from reputable external bodies.

Ratings

Moody's: Aa2 (stable)
Standard & Poor's: A+ (stable)

Awards

Fuchsbriefe-Report (Tops 2023 – The best asset managers)

The renowned Fuchsbriefe designated LGT as number six of the best wealth managers in the German-speaking countries. It also receives the highest number of points and the rating "very good" and is as well best bank in Liechtenstein.

LGT ranks fourth on the perpetual list of top asset managers in German-speaking countries. LGT was also named "Grossmeister" (highest ranking) in the new sustainability ranking.

Handelsblatt Elite Report (Special Report: The Elite Amongst the Asset Managers 2023)

For the seventh consecutive year, LGT received the highest score of all participating asset managers in the Elite Report. LGT was also awarded the "summa cum laude" rating for the 20th consecutive time and was selected as the leading private bank in Liechtenstein.

LGT was able to convince the editorial team in particular with its high-quality, personal advice and professional expertise, especially in the area of sustainability. "You would be hard-pressed to find that much expert knowledge under one roof anywhere else," said the Elite Report editorial team.

General risk information

This publication is a marketing communication. This publication is intended only for your information purposes. It is not intended as an offer, solicitation of an offer, or public advertisement or recommendation to buy or sell any investment or other specific product. The publication addresses solely the recipient and may not be multiplied or published to third parties in electronic or any other form. The content of this publication has been developed by the staff of LGT and is based on sources of information we consider to be reliable. However, we cannot provide any confirmation or guarantee as to its correctness, completeness and up-to-date nature. The circumstances and principles to which the information contained in this publication relates may change at any time. Once published information is therefore not to be interpreted in a manner implying that since its publication no changes have taken place or that the information is still up to date. The information in this publication does not constitute an aid for decision-making in relation to financial, legal, tax or other matters of consultation, nor should any investment decisions or other decisions be made solely on the basis of this information. Advice from a qualified expert is recommended. Investors should be aware of the fact that the value of investments can decrease as well as increase. Therefore, a positive performance in the past is no reliable indicator of a positive performance in the future. The risk of exchange rate and foreign currency losses due to an unfavorable exchange rate development for the investor cannot be excluded. There is a risk that investors will not receive back the full amount they originally invested. Forecasts are not a reliable indicator of future performance. In the case of simulations the figures refer to simulated past performance and that past performance is not a reliable indicator of future performance.

The commissions and costs charged on the issue and redemption of units are charged individually to the investor and are therefore not reflected in the performance shown. We disclaim, without limitation, all liability for any losses or damages of any kind, whether direct, indirect or consequential nature that may be incurred through the use of this publication. This publication is not intended for persons subject to a legislation that prohibits its distribution or makes its distribution contingent upon an approval. Persons in whose possession this publication comes, as well as potential investors, must inform themselves in their home country, country of residence or country of domicile about the legal requirements and any tax consequences, foreign currency restrictions or controls and other aspects relevant to the decision to tender, acquire, hold, exchange, redeem or otherwise act in respect of such investments, obtain appropriate advice and comply with any restrictions. In line with internal guidelines, persons responsible for compiling this publication are free to buy, hold and sell the securities referred to in this publication. For any financial instruments mentioned, we will be happy to provide you with additional documents at any time and free of charge, such as a key information document pursuant to Art. 58 et seq. of the Financial Services Act, a prospectus pursuant to Art. 35 et seq. of the Financial Services Act or an equivalent foreign product information sheet, e.g. a basic information sheet pursuant to Regulation EU 1286/2014 for packaged investment products for retail investors and insurance investment products (PRIIPS KID).
